EDUCATION

GEORGETOWN UNIVERSITY, McDONOUGH SCHOOL OF BUSINESS *Master of Business Administration (STEM-Designated)*

Washington, DC
May 2026

- Certificate in Consumer Analytics; GMAT 720 (Quant: Full Score); VP of Tech Club & ABSA
- MBA Consultant, Natura & Co: Developed a strategic roadmap to increase chatbot retention to 90%

NATIONAL TAIWAN UNIVERSITY OF SCIENCE AND TECHNOLOGY *B.B.A., Business Administration*

Taipei, Taiwan
Jun 2016

- Presidential Award (2015, GPA 4.0/4.0); First Prize, Graduation Thesis; Exchange: Warsaw Univ. of Tech (2016)

EXPERIENCE

VOSYN *GenAI startup focused on multilingual video intelligence* *Product Manager, AI Translation Pipeline* (MBA Summer Internship)

Chicago, IL
Jul 2025 – Sep 2025

- Led the roadmap for ASR, Diarization, and Segmentation services, aligning technical priorities with commercial goals to reduce Word Error Rate (WER) by 21% via targeted model fine-tuning.
- Authored MVP specs and drove development to scale the pipeline to 8 languages and 60-minute inputs for long-form video.

LAZADA (ALIBABA GROUP) *SEA's leading e-commerce platform (160M+ MAU)* *Sr. Product Manager, Omnichannel Payments & Growth*

Shenzhen, China
Feb 2022 – Aug 2023

- Spearheaded the 0-to-1 launch of Lazada's flagship O2O platform across 6 markets; defined MVP & 3-year channel strategy and coordinated 10+ XFN teams to enable scalable execution.
- Owned the end-to-end product build across the full user journey (homepage, discovery, PDP/SDP, merchant onboarding, and redemption), growing revenue 165% in the first month post-launch to \$560K/month.
- Localized core features for cultural fit and iterated discovery flows through A/B-tested rollouts under strict guardrails (refund, cancellation, bounce rates), lifting conversion from 25% to 37% across 6 markets.
- Overhauled the O2O review model with service-specific attributes, improving accuracy from 65% to 87% while cutting ops workload by 90% and reducing complaints by 30%+.

JkoPAY *Taiwan's #1 mobile payment app and FinTech unicorn (3M+ MAU)* *Sr. Product Manager, Payments & Merchant Ecosystem*

Taipei, Taiwan
Oct 2019 – Dec 2021

- Revamped the external payment API ecosystem serving 150,000+ stores by introducing automated testing and distributed tracing, boosting integration efficiency by 60% and cutting support cases by 70%.
- Drove JkoPay's 0-to-1 pivot from pure payments to a merchant ecosystem, securing C-level buy-in through financial forecasting and launching its first high-margin value-added service in 2 months.
- Defined external API specs for a unified third-party integration platform, onboarding 2 vendors within 2 months and scaling the service to 400+ stores and \$200K+ monthly GMV.
- Built a multi-acquirer routing engine across ~US\$65M monthly card volume, cutting processing costs by 2% and lifting authorization success by 3% via automatic failover.

WIXTAR *Leading F&B POS and SaaS provider in Taiwan* *Product Manager, Enterprise Solutions (POS & Kiosk)*

Tainan, Taiwan
Jul 2018 – Sep 2019

- Orchestrated a new Kiosk product integrated with POS systems, scaling to 30 stores and driving 30% revenue growth (Q2 2019), while streamlining reconciliation for 400+ merchants.

ENTREPRENEURIAL EXPERIENCE

OUTO TAIWAN *Self-guided travel platform for Taiwan & SEA markets* *Product Strategy & Growth Consultant*

Taipei, Taiwan
Feb 2024 – May 2024

- Formulated international expansion strategy and product roadmap, building an end-to-end funnel dashboard that pinpointed conversion drop-offs and guided a site-wide revamp.
- Reshaped the product mix around the high-value segment (multigenerational travelers), fueling 30% quarterly growth.

DECENT REAL ESTATE *Boutique investment firm managing \$1M+ AUM* *Founder & CEO*

Taichung, Taiwan
Dec 2017 – Dec 2023

- Founded and scaled a real-estate fund from zero, executing 7 renovation projects at a 35% ROI over 5 years via cost control.
