EXPERIENCE

VOSYN *GenAI startup focused on multilingual video intelligence*

Chicago, IL

Product Manager, AI Translation Pipeline

Jul 2025 - Sep 2025

- Owned the roadmap for ASR, Diarization, and Segmentation services, aligning technical priorities with commercial goals to reduce Word Error Rate (WER) by 21% via targeted model fine-tuning.
- Defined MVP benchmarks for the global roadshow, expanding support to 8 languages and 60-minute inputs (up from 20 min) by orchestrating parallel processing to reduce latency.
- Instituted the team's first QA framework, aligning standards to enable biweekly releases with zero regression.

LAZADA (ALIBABA GROUP) *Southeast Asia's leading e-commerce platform (160M+ MAU)*

Shenzhen, China

Sr. Product Manager, Omnichannel Payments & Growth

Feb 2022 - Aug 2023

- Spearheaded the 0-to-1 launch of Lazada's flagship O2O platform across 6 markets; defined MVP & 3-year channel strategy and coordinated 10+ XFN teams to enable scalable execution.
- Led end-to-end product delivery across homepage, discovery, merchant onboarding, and redemption flows, achieving \$560K monthly revenue (+165% MoM) immediately post-launch.
- Optimized post-launch discovery funnels by redesigning flows using data insights, lifting conversion from 25% to 37%.
- Overhauled the O2O review model with service-specific attributes, improving accuracy from 65% to 87% while cutting ops workload by 90% and reducing complaints by 30%+.

JKOPAY *Taiwan's #1 mobile payment app and FinTech unicorn (3M+ MAU)*

Taipei, Taiwan

Sr. Product Manager, Payments Infrastructure & APIs

Oct 2019 - Dec 2021

- Revamped the external payment API ecosystem serving 150,000+ stores by introducing automated testing and distributed tracing, boosting integration efficiency by 60% and cutting support cases by 70%.
- Built a multi-acquirer routing engine to cut costs 2%, lift success 3%, and prevent 1,000+ failed transactions monthly.
- Launched Jkopy's first high-margin value-added service in 2 months, pivoting from pure payment to a merchant ecosystem to onboard 400+ stores and drive \$200K+ monthly GMV.
- Secured C-level buy-in via financial forecasting and defined 0-to-1 external API specs to integrate third-party vendors.

WIXTAR (formerly Lafresh) *Leading F&B POS and SaaS solution provider in Taiwan*

Tainan, Taiwan

Product Manager, Enterprise Solutions (POS & Kiosk)

Jul 2018 - Sep 2019

- Orchestrated a new Kiosk product integrated with POS systems, scaling to 30 stores and driving 30% revenue growth (Q2 2019), while streamlining reconciliation for 400+ merchants.

ENTREPRENEURIAL EXPERIENCE

OUTO TAIWAN *Emerging self-guided travel platform for Taiwan and Southeast Asia markets*

Taipei, Taiwan

Product Strategy & Growth Consultant

Feb 2024 - May 2024

- Formulated international expansion strategy and product roadmap, establishing end-to-end tracking to benchmark and optimize conversion funnels, fueling 30% quarterly growth and 35% satisfaction uplift.

DECENT REAL ESTATE *Boutique investment firm managing \$1M+ AUM and renovation lifecycle*

Taichung, Taiwan

Founder & CEO

Dec 2017 - Dec 2023

- Founded and scaled from zero, managing fundraising, hiring, and GTM for undervalued residential assets.
- Executed 7 renovation projects, sustaining a 35% ROI over 5 years via strict cost control.
